Packing Tips

- Label all clothing, sleeping bags, footwear, etc. With this many campers they often do not recognize things that belong to them even if they are unique.
- Mark all luggage with the family name and consider including a packing inventory of what they should have when they pack up at the end of the week to help them round up their belongings.
- Please do not send expensive or new clothing to camp. Comfortable, well used clothing is best.
- Do not send anything to camp that you are not willing to risk losing. (ie. Jewellery, a favourite Bible, Great Grandma's Rosary, etc.)
- Pack as simply as possible. Cabin space is limited and needs to be kept tidy and organized.
- Have your camper help with their packing. This also will help cut down on lost and found and help them to feel comfortable and prepared for their week.
